MARK YOUR CALENDARS! NHDD WEBINAR - FEBRUARY 15

Join us on **February 15th at 3 pm EST** for a National Healthcare Decisions Day (NHDD) Webinar as we look forward to celebrating 10 years of promoting advance care planning conversations across the country. In addition to sharing ideas for how you can celebrate NHDD in April, we will be highlighting examples of the great initiatives that NHDD participants have led over the years and we want to hear from you. Share with us the stories of how you have celebrated NHDD. Your story could be featured on the national webinar. Story submissions should be sent to NHDD@ihi.org with the subject line "**NHDD Story**." *Note: by submitting your story, you consent to having it included in the webinar, blog posts and/or social media posts.*

To RSVP for the webinar and access connection instructions, e-mail zrubin@ihi.org. You can also download this [Outlook calendar invitation](#) from Dropbox. *Note: you don't need a Dropbox account to access the invitation. Click "No thanks, continue to download" if prompted to create an account.*
